## Make it easier with a Mini Muncher

This convenient bench top bin allows you to recycle food scraps and organic material with ease. Best of all, your Mini Muncher comes with a year's supply of compostable bags.

Organic material such as food scraps, uneaten food, pet waste, shredded paper, used tissues and paper towel can all be turned into nutrient rich compost when put in your green-lid food and organics bin.

To request your free Mini Muncher visit [cttg.sa.gov.au/waste](http://cttg.sa.gov.au/waste)

### More compostable bags

Most supermarkets provide compostable bags in the fruit and vegetable section. Additional rolls of compostable bags can also be collected from the City of Tea Tree Gully Civic Centre in Modbury.

## Too big to go in your green-lid food and organics bin?

The City of Tea Tree Gully provides residents with free drop-off events for green organic waste on selected days throughout the year.

For dates and full list of what is and is not accepted, visit [cttg.sa.gov.au/enviro](http://cttg.sa.gov.au/enviro)

## Hard waste and mattress collection

Households can book two collections per calendar year. You can book either a hard waste or a mattress collection at any time, subject to availability.

Book a collection at [cttg.sa.gov.au/hardwaste](http://cttg.sa.gov.au/hardwaste) or call Solo on 8159 5090.

### • Hard waste collection

Residents can dispose of up to two cubic metres of hard waste or 2m x 1m x 1m.

### • Mattress collection

Residents may dispose of up to two mattresses, or one mattress and one ensemble base.

## Hazardous items don't belong in your bins

Hazardous items, such as batteries, mobile phones, electronics, garden chemicals, insect repellents, cleaners, automotive products and acids cannot go in your household bins. Instead, these items should be taken to drop-off points for specialised recycling and disposal.

### Chemicals, paint and other items

Unwanted paint, household chemicals and selected items can be recycled through your local collection centre.
