

2026 Golden Grove Lifestyle Footy Tipping

Why not join the footy tipping comp. and try to win excellent cash prizes.

You can register and complete your tips via the internet so it does not matter if you are away you can still submit on line via computer or mobile phone.

*For those with no internet access you can still join and submit your tips by completing the tipping sheet and dropping in the box in the hall every week and we will pick them up **by Midday of the day of the first game of that round.***

We have a presentation day at the end of the minor round and have a sports quiz with lots of donated prizes.

For current members this year just logon on to the same site and use your name as a logon and your password, you can now use the same password for more than one per person in the household.
